Premium Title Expands National Footprint by Securing Escrow Licensing in Four New States

*Premium Title now provides clients with coverage in Idaho, New Mexico, Oregon
and Washington*

LUXEMBOURG, April 10, 2018 – [Premium Title](#), a national provider of title and escrow services, today announced it has secured escrow licensing in Idaho, New Mexico, Oregon and Washington. This additional licensing expands the business’ footprint and allows Premium Title to now provide clients with direct title/settlement services in 45 states plus Washington, D.C.

“We are dedicated to delivering a scalable suite of title and escrow services that help our customers drive efficiency, responsiveness and process controls required in today’s competitive market,” said James Weld, President, Premium Title. “Securing our licenses in these additional states is a milestone for Premium Title. It enables us to provide greater access — on a national scale — to the services customers need to help expedite the closing process and accelerate business growth.”

This announcement comes on the heels of the recent integration Premium Title announced with eClosing technology solutions provider, Pavaso, helping lenders across the country to streamline the mortgage closing process and improve the borrower experience.
